

Lifetime Achievement Award

Chuck Morrison - Deerfield High School

This honor is a special recognition for coaches that have gone above and beyond the criteria for Hall of Fame. The Lifetime Achievement Award will not be given each year. Rather, it will be awarded periodically when the IHSTCA Board of Directors feels that a tennis coach in Illinois warrants special recognition in addition to Hall of Fame status.

This year's Lifetime Achievement Award is proudly presented to Chuck Morrison of Deerfield High School. Chuck coached high school tennis for 35 years. Here are some of his accomplishments during that time period.

- State championships - 1984, 1995
- 8 state trophies
- 5 state singles champions
- 2 state doubles champions
- 16 sectional championships
- 30 years on the IHSTCA Board of Directors
- IHSTCA Coach of the Year - 1983, 1995
- Midwest Regional Coach of the Year - 1992, 2001
- IHSTCA Hall of Fame - 1987
